RE: Renaming Rexford Precinct Number

Dear Commissioners:

Every January and February of odd numbered years, we are authorized to adjust and update any boundary and address updates necessary. Rexford is currently Precinct 16.5 falling within the Eureka North Precinct 16 that holds 1,692 registered voters.

This has caused great confusion among the voters in this area as Rexford is the only municipality within Lincoln County that does not have their own precinct specific number. I would like to formally request that the Rexford precinct be changed to Precinct 3, which would be a benefit to the voters and the election judges when handing out ballots that are specific to Rexford only. Additionally, this will help eliminate the confusion when creating ballot art with ES&S specific to Rexford, which may allow some cost savings.

Please note. This would not affect boundary lines, citizens of Rexford or any voting status, just the specific precinct name.

Thank you,

Melanie Howell
