

CELESTIAL CORNER RECORD/ ON  
(REFERENCE FSM 7153.53)

DESCRIPTION OF CORNER EVIDENCE FOUND, AND ORIGINAL RECORD (IF KNOWN)

Unknown. After inspection of the re-traced Copy of Opportunity Townsite in the Deer Lodge County Courthouse and review of the Highway Right-of-way plats and Certificate of Survey 18-B, I determine the position for the Section Corner to be at the intersection of the centerlines at Stewart Street and the 20' alley between Parcels 61 and 79-A of the Opportunity Townsite plat. I also believe the relative position of the Corner as shown on C.O.S. 18-B is in error.

DESCRIPTION OF MONUMENT AND ACCESSORIES ESTABLISHED TO PERPETUATE THE ORIGINAL LOCATION OF THIS CORNER:

Date of work: Aug. 27, 1981

At the intersection of the centerlines of Stewart Street and the said Alley, I set a 5/8" x 18" rebar with 1 1/2 aluminum cap marked as below.  
FROM WHICH: A nail in N.W. of telephone pole bears SW 38.0'  
A nail in S.W. of fence corner post bears N.10°W., 32.15'

SKETCH, WITH COURSE AND DISTANCE TO ADJACENT CORNERS IF DETERMINED IN THIS SURVEY. (MAY SKETCH OR PASTE REPRODUCTION ON REVERSE SIDE.)
