 6. Fill in Cross Index & Section Diagram at bottom of sheet.

CERTIFIED CORNER RECORDATION

Corner Corner to Sections 6 & 7 Only T. 13 N. R. 20 W. P.M.M. Missoula County

1973 Record: Found 1" iron rebar driven 2 feet in ground at corner location. Road construction and fencing have destroyed the original stone and bearing trees. Location of iron rod also verified by local residents. From found corner the following bearing tree was found;

- A 12" Ponderosa Pine bears S02°03'E, 132.60 ft. dist. scribed "RM"
- Found 1" rebar flush with grounds surface at west end of east-west fence line. Corner lies just to the west of a Telephone Pedestal. The following reference monuments were found;
- A 5/8" rebar in concrete irrigation ditch head-gate bears N82°E 7.6 ft.

Note: No Corner Recordation form on hand at the time of corner search. Corner position was verified with additional survey ties to Certificate of Survey No. 3879 monumentation.

2010 Perpetuation: Due to the found monument being firmly set and in great shape we left the monument as found. We establish an additional reference monument as follows:

- A 8" Telephone Pole bears S53°W, 46.2 ft. (Telephone Pole exist in westerly R/W of Big Flat Road)

Note: Attached a MARLS bearing tree tag on new reference monument.
